

Safety doesn't happen by accident. Each of us are constantly making decisions to ensure our own safety at home, on the road or on the job. Bring Construction Safety Week to life at your company by planning events on your projects and in your office.

Doka now offers

Complimentary Jobsite demonstrations

We come to you or visit any of our local Doka branch offices! Learn and get hands on with the latest construction safety solutions, from perimeter and edge protection to debris fans and stair towers.

Customized Safety Training

Specifically designed to suit your safety needs and schedule. We are here to provide live onsite demonstrations on various Doka Safety solutions in addition to hosting online safety meetings for your team.

We invite you to explore our latest innovations in jobsite safety and contact us for a customized experience.

To book us for your event:

Contact your local **Doka Branch Representative** or **Jon Hammond** | Doka Senior Safety Specialist | jon.hammond@doka.com
